

The background of the image is a detailed marble pattern. It features a light cream or off-white base color, intricately veined with various shades of grey, taupe, and brown. The veins are irregular and organic, creating a classic marble aesthetic. The overall texture appears smooth and polished.

Delta
Porcelanato

WELCOME

The company has been in business for over 40 years, beginning in Barra Bonita – São Paulo state. With a headquarter and facility in Rio Claro - Brazil since 2002, producing porcelain tiles with stone, cement, and wood look; in many styles since 2010. Our numbers: 55.2 million square meters production capacity; 1,700 employees and 12 production lines.

The product range includes ceramic, full body, double charge, glazed and unglazed porcelain tiles; polished, glossy and satin finishes; in nine sizes. It can be used on both walls and floors.

The new Delta Tecno Natur line is a high traffic and high resistance through body tile, available in two sizes, rare and unique patterns, in a modern color scheme. Ideal floor tile for commercial as well as residential application.

Contemporary and traditional designs, color trends, high quality of product and service, state-of-the-art technology, product innovation, and sophistication are features of every single Delta product.

DELTA INDÚSTRIA CERÂMICA LTDA.

BIENVENIDO

La compañía ha estado en el negocio por más de 40 años, empezando en Barra Bonita, província de São Paulo. Con sede e instalaciones en Rio Claro - Brasil desde 2002, produce baldosas porcelánicas con aspecto de piedra, cemento y madera; en muchos estilos desde 2010. Nuestros números: 55,2 millones de metros cuadrados de capacidad de producción, 1.700 empleados y 12 líneas de producción en la actualidad.

La gama de productos incluye cerámica pasta roja, porcelanato tecnico, doble carga, porcelanatos esmaltados y sin esmaltar; acabados pulidos, brillantes y satinados; en nueve tamaños. Productos que pueden ser utilizados en muros e pisos.

La nueva línea Delta Tecno Natur es un porcelanato natural para alto tránsito y alta resistencia, disponible en dos tamaños, diseños únicos y raros, en un esquema de color moderno. Son ideales para aplicaciones comerciales y residenciales.

Los designs contemporáneos y tradicionales, las tendencias de color, la alta calidad de los productos y servicios, la tecnología de vanguardia, la innovación y la sofisticación son características de cada producto de Delta.
